Accenture Reviews

" Working at Accenture was a very good experience. I worked there for 7 years when I was starting my career. Started as an Analyst in Finance and worked up to Manager. They do reward people who do good work. "
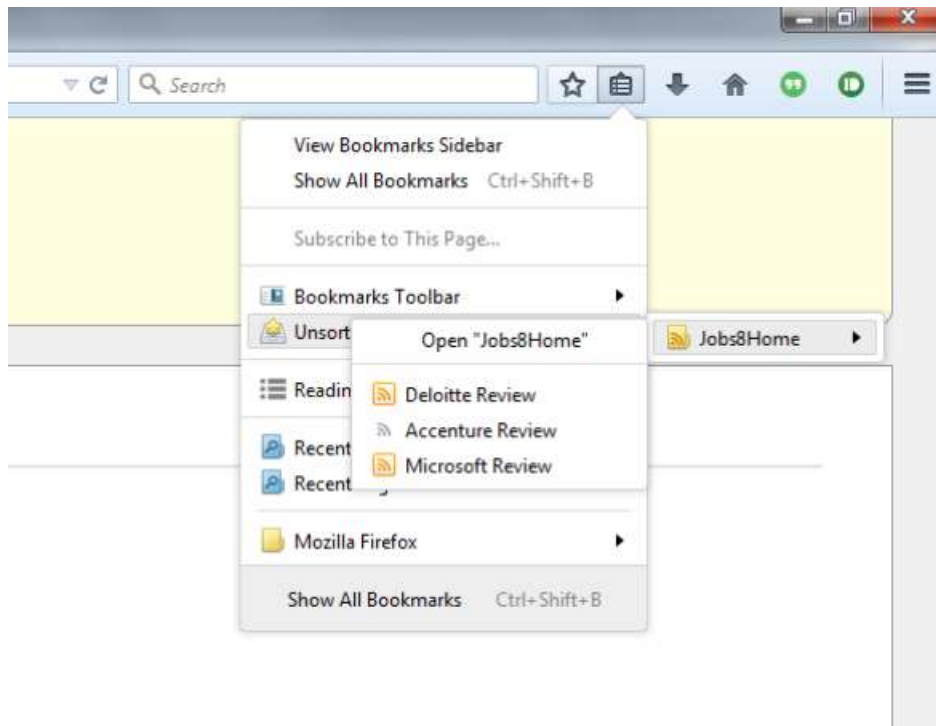

Pre-Sales Analyst (Former Employee), Airoli, MH , March 21, 2015
" Accenture - the best place to work .. overall development , good friends, Experience managers .. wonderful place to work.... "

Analyst (Former Employee), Bangalore, KA , March 16, 2015
" Great work Culture, good salary, good management
Good work life balance, employees are treated really well, management easy to access, good growth and learning curve. "

Front End Developer (Former Employee), Chennai , March 2, 2015 " Really a great opportunity and very happy working here.
Most of work was into developing so really had a good time here.
Done rapid troubleshooting and fixed various bugs.
Team was really great and achieved success together as a team. "
